11. Where a Department considers that it is not possible to provide reservation for the physically handicapped persons to the extent prescribed in view of the nature of duties to be performed by the employee against a particular post, the matter should be referred to the Government in the Department of Social Security and Development of Women & Children for the grant of exemption from reservation indicating the name and nature of the post with ample justification in support of its proposal. The vacancies reserved for the physically handicapped persons should not be de-reserved but are to be carried forward by the appointing authorities at their own until prior approval of the Government in the Department of Social Security and Development of Women and Children is obtained for dereserving the same.
